Booth Construction

ENA requires that all booths comply with the display rules and regulations set forth by the International Association of Exposition Management (see the section on Display Rules in the Exhibitor Service Manual for further information; this manual will be available online in early December 2011).

Booths are 10' x 10' unless otherwise noted. Each booth is equipped with a standard 8'-high draped back wall, 36" draped side rails, and 7" x 44" booth locator sign with the company name, city/state and booth number. Carpeting and furniture are not included in the booth fee.

Island booths are available as indicated on the floor plan. Drapes and booth locator signs are not provided.

Height Restrictions

In-line and Corner Booths: 8'

Island Booths: 16'

Booth Assignment

Every effort will be made to assign booths as requested. In the event this is not possible, show management reserves the right to assign the exhibitor to a similar space. Upon receipt of your application and contract to exhibit, ENA will send you written confirmation of your booth assignment.

Display Rules

In-line or Corner Booth: Exhibit fixtures, components and identification signs will be permitted to a maximum height of eight feet. All display fixtures over four feet in height and placed within 10 feet of an adjoining exhibit must be at least five feet from the aisle.

Island Booth: Exhibit fixtures, components and identification signs will be permitted to the maximum allowable height of 16 feet. Hanging signs are not allowed any higher than 20 feet to the top of the sign. Because an island booth is separated by the width of an aisle from all neighboring booths, full use of the booth area is permitted.

Carpet and Show Colors

Exhibit Hall J is carpeted in black aisle carpeting. Show colors are purple and white drapes with purple side drapes. Floor covering is mandatory in the booths. Exhibitors are responsible for the floor covering in their booths.

Deposit

A 50% deposit is due by April 1, 2011 or with the completed application and contract to exhibit. If the contract is submitted on or after December 15, 2011, the full booth rental fee is due with the completed contract.

Balance Due

Full payment for booth space rental is due by January 13, 2012. In the event that full payment is not received by that date, show management reserves the right to release space back into general inventory.

Cancellation Policy

Cancellation of exhibit space or reduction of reserved space must be made in writing and sent to Emergency Nurses Association, Exhibit Services, 915 Lee Street, Des Plaines, IL 60016-6569. In the event of cancellation, ENA has the right to use said space to suit its own convenience, including selling space to another exhibitor, without rebate or allowance to the canceled exhibitor.

Cancellation Date	Cancellation Penalty
On or before 10/7/11	\$500 administrative fee
4/2/11 – 12/15/11	50% of original contracted booth rental fee
12/16/11 or later	No refund

Booth Reassignment

Show management will immediately contact the company involved if it is necessary to relocate an exhibitor after booth space has been confirmed. Every effort will be made to reassign the exhibitor to a similar space. In all cases of confirmed booth relocation, the exhibitor has the option to cancel and receive a full refund of all payments made.

ENA reserves the right to make the final determination of any and all space assignments and to modify the floor plan in the best interest of the overall trade show.

Registration and Housing

Registration and housing information, including an exhibitor badge request form, will be in the Exhibitor Services Manual available online in early December 2011. All hotel rooms will be assigned on a first-come, first-served basis.

EXHIBITOR RULES & REGULATIONS — ENA LEADERSHIP CONFERENCE 2012

(Note: "Conference" refers to the ENA Leadership Conference 2012; "Exhibitor" refers to applicant for exhibit space named on application; "Facility" refers to the New Orleans Ernest N. Morial Convention Center; "Show Management" and "ENA" refers to the Emergency Nurses Association and its authorized agents and employees.)

Only those products and/or services considered by ENA as relating directly to emergency nursing may be exhibited at the Conference. Exhibits, practices and presentations which may be judged by ENA, in its sole discretion, not in good taste, lacking in dignity, detracting or not in keeping with the purpose of the Conference are prohibited. ENA reserves the right, in its sole discretion, to restrict or evict Exhibitors for violations of this provision. ENA will not make any refunds or otherwise be responsible for expenses associated with such restriction or eviction.

RULES, REGULATIONS AND LAWS

It is integral to the success and growth of the Conference to actively contribute to an atmosphere of integrity and dignity. Exhibitor agrees to abide by (i) the rules and regulations set forth in this agreement, the ENA Exhibitor Prospectus, and ENA Exhibitor Services Manual; (ii) the rules and regulations of the Facility; and (iii) all applicable federal, state, provincial, and local laws and ordinances. This agreement shall be governed by the laws of the State of Illinois.

Further, Exhibitors agree to: (i) Interact respectfully and thoughtfully with all registrants in the exhibit hall, educational sessions, and networking situations; and (ii) respect the rights of other Exhibitors to conduct business without interference or improper interventions.

ALCOHOL, TOBACCO, FOOD, BEVERAGE AND MISCELLANEOUS GIVEAWAY ITEMS

Distribution or use of alcoholic beverages and tobacco products in the exhibit hall, educational sessions, and other events is prohibited. The Conference is a smoke-free meeting and exposition.

Giveaways, awards or drawings are limited to prizes of an educational nature and/or in keeping with the character of the Conference and must be submitted to ENA for prior approval (written description acceptable). Giveaway: Exhibitor Form located in Exhibitor Services Manual must be submitted to ENA by February 6, 2012. Promotions not approved by ENA are not permitted. Exhibitors may not serve or dispense food or beverage of any type from their booths.

AMENDMENTS

Any and all matters not specifically covered by this agreement and the rules and regulations contained in the ENA Exhibitor Prospectus, and ENA Exhibitor Services Manual shall be subject to the decision of Show Management. Show Management shall have the full power to interpret, amend, and enforce these rules and regulations, provided any amendments, when made, are brought to the notice of Exhibitors. Each Exhibitor, for itself and its employees, agrees to abide by the foregoing rules and regulations and by any amendments or additions thereto in conformance with the preceding sentence.

AUDIO VISUAL EQUIPMENT AND PHOTOGRAPHY

If closed sound systems cannot be arranged, open sound systems are permitted. However, sound "leakage" must not interfere with any other Exhibitor. Show management requires compliance and reserves the right to take any necessary corrective action. Video taping and photography in the exhibit hall is not allowed without written permission from ENA.

BADGE POLICY

Admissions to the exhibit hall will be by badge only and you must be 18 years or over. Badges for preregistered exhibit personnel will not be mailed. Exhibitor badges will be available for pickup during exhibitor registration hours and will be held under the company name.

All exhibit booth personnel, as well as meeting attendees, are required to wear their official Conference badge. Security guards will be monitoring the entrance to the exhibit hall for proper identification. Only Conference attendees and registered Exhibitors will be admitted to the exhibit hall. No unregistered guests are allowed in the hall at any time.

BOOTH CLEANING

Booth cleaning is mandatory after move-in and is not included in the booth rental fee. Show Management has the right to order daily cleaning if booth appearance is unsightly. The cost will be charged to the exhibiting company.

BOOTH MANAGER

Each Exhibitor must identify one authorized representative as booth manager to be responsible for the exhibit throughout the Conference.

BOOTH STAFFING

Exhibitors must staff their exhibits during the exposition hours. ENA reserves the right to remove any booth left unattended for an extended period of time. The Exhibitor is responsible for all costs incurred in the removal of the booth from the show floor.

DEMONSTRATIONS, INTERVIEWS, SUBLETTING

Demonstrations by Exhibitors should contribute to the attendee's knowledge in a professional way. Demonstrations and adequate space for interviews should be available within the confines of the individual Exhibitor's booth, and comply

with all applicable laws, including, without limitation, FDA regulations, and federal, state and local laws regarding the handling and removal of hazardous and/or infectious waste. Interference with normal traffic flow and infringement on neighboring exhibits is not permitted. No subletting or sharing of exhibit space is permitted unless it is within corporate divisions.

DISPLAY RULES

In-line or Corner Booth: Exhibit fixtures, components and identification signs will be permitted to a maximum height of 8 feet. All display fixtures over 4 feet in height and placed within 10 feet of an adjoining exhibit must be at least 5 feet from the aisle.

Island Booth: Exhibit fixtures, components and identification signs will be permitted to the maximum allowable height of 16 feet. Hanging signs are allowed no higher than 20 feet to the top of the sign. Because an island booth is separated by the width of an aisle from all neighboring booths, full use of the booth area is permitted.

DISTRIBUTION OF ADVERTISING MATERIAL

Canvassing any part of the exhibit hall or meeting rooms by anyone representing or connected with a non-exhibiting company is strictly forbidden. Anyone doing so will be escorted from the Conference. Canvassing or distribution of advertising material by an Exhibitor will not be permitted outside of the Exhibitor's allotted booth space.

INSURANCE

All property of the Exhibitor is understood to remain under its custody and control in transit to and from or within the confines of the Facility. Neither ENA, the Facility, GES/Global Exposition Services, the State of Louisiana, or the City of New Orleans maintain insurance covering Exhibitors' property. Neither the Conference, ENA, nor the Facility can or will be responsible for damage to, loss, or theft of property belonging to any Exhibitor, its agents, employees, business invitees, visitors, or guests. Each Exhibitor is to carry its own insurance.

DISABILITY PROVISIONS

Exhibitor represents and warrants (i) that its exhibit will be accessible to the full extent required by all applicable laws, ordinances and regulations; (ii) that its exhibit will comply with the Americans with Disabilities Act (ADA) and with any regulations implemented by that Act; and (iii) that it shall indemnify and hold Indemnitees harmless from and against any and all claims and expenses, including attorneys' fees and litigation expenses, that may be incurred by or

MUSIC LICENSING

Exhibitor further represents and warrants that it shall obtain any and all licenses or grants of authority required of Exhibitor under the copyright laws, and present Show Management with a copy of such license or grant no less than 30 days prior to the start of the Conference.

FORCE MAJEURE

In the event the Facility or any part of the exhibited area thereof is unavailable whether for the entire Conference, or a portion of the Conference as a result of fire, flood, tempest, inclement weather or other such cause or as a result of governmental intervention, malicious damage, acts of war, terrorism, strike, lock-out, labor dispute, riot or other cause or agency over which ENA has no control, or should ENA decide that because of any such cause that it is necessary to cancel, postpone, or re-site the Conference, or reduce the move-in and installation time, show time, or move-out time, ENA shall not be obligated to indemnify or reimburse the Exhibitor in respect of any damage or loss, direct or indirect, arising as a result thereof.

PRODUCTS

ENA reserves the right to prohibit exhibition or advertisement of any product it deems unsuitable for the exposition. No ENA endorsement, express or implied, is connected with any product exhibited or advertised. Only products that have been approved by the FDA or other appropriate governmental agency shall be exhibited or advertised, unless approval is pending and a notice to that effect is prominently displayed with the product, or unless the product does not require such approvals.

PROPERTY CARE

Exhibitors must surrender booth space in the same condition as it was at the time of occupation and are liable for any damage caused by disregard of these rules and regulations. The Exhibitor is not to affix, nail, or otherwise attach anything to walls, doors, floors, or columns except where a nailing strip is provided. Exhibitors may not apply paint, lacquer, adhesives, or any other coating to the building columns, floors, or standard booth equipment. If there are any special requirements in this respect, the Exhibitor should call GES/Global Exposition Services.

PUBLIC SAFETY
