

Lifelong Benefits, Lifetime Membership!

Your ENA membership gives you lifelong benefits during the career of a lifetime. Now you can choose a convenient **12-month Lifetime Dues Payment Option** that lets you spread your lifetime membership dues payments over a one-year term through credit card payment or automatic bank deduction.*

Depending on the state you reside in, most lifetime members pay just \$101 per month on the new 12-month plan. It's a great way to simplify your life while enjoying a lifetime of personal and professional growth. Contact Arienne Peronti, Member Services Department Coordinator, at 800/900-9659 ext. 4013, or aperonti@ena.org for more information.

*Refunds are not available with this program. If you discontinue bank drafts or credit card payment before the full 12-month term, your ENA membership will be prorated to reflect monies paid.
